

## **St. Catherine's Greek Orthodox Church (SC)**

**5555 South Yosemite Street  
Greenwood Village, CO 80111**

Just off of I-25 between Orchard and Bellevue. You have to stay on Yosemite (not DTC) to get there—it's a little tricky your first time. Ample parking is available, but when you get out of your car be sure to go all the way to the WEST entrance (facing WEST). Do not go to any front doors. Walk WEST, go past the preschool, and go around the corner. Find the doors on the WEST side facing WEST. The doors will be locked at all times, so we will have someone very close by. If someone does not see you first to let you in, please knock and they will be there shortly. There will be a parent or staff posted just inside the double-doors near the gym during transition times. If you arrive super late or super early, we cannot guarantee that the door will be manned. NEVER prop external doors open. No food or drink allowed and all children must be accompanied by an adult at all times, especially to the restrooms.

## **American Academy Charter School (AA)**

**6971 Mira Vista Lane  
Castle Pines, CO 80108**

Just off of I-25 slightly south of Highlands Ranch (not as far south as Castle Rock). Whichever direction you come from, get onto Castle Pines Parkway (an exit off of I-25). Once on Castle Pines Parkway, go to the street immediately WEST of King Soopers, called Lagae Road. Then it gets tricky. On Lagae Road, RIGHT AFTER you pass King Soopers on your left side, you need to make a RIGHT turn that is NOT marked and has no street sign (it is actually a tiny little street called Highland Hills Road). You won't see it coming, so just plan on an unexpected right turn after you pass King Soopers. When you get on this road, road block stuff makes it look like you are in the wrong place. Head toward the road block, and you will see Mira Vista Lane curves off to the right. Follow this to the school. Park where you like, but you must enter the school at the gym entrance which is on the EAST side of the school.

Do NOT not park in front of the dumpster on the EAST side of the school NOR in front of the small fire road next to that dumpster. Look in the EAST door and see the gym. The door is locked at all times, so if someone does not see you right away, just knock. Do NOT knock on this door if you are the first practice of the day and you are more than 10 minutes early—the school staff is NOT authorized to let you in. We will post a parent or staff near the door during all transition times. If you arrive super late or super early, we cannot guarantee that the door will be manned. NEVER prop external doors open. No food or drink allowed and all children must be accompanied by an adult at all times, especially to the restrooms.

## **Englewood Middle School (EMS)**

**300 West Chenango  
Englewood, CO 80110**

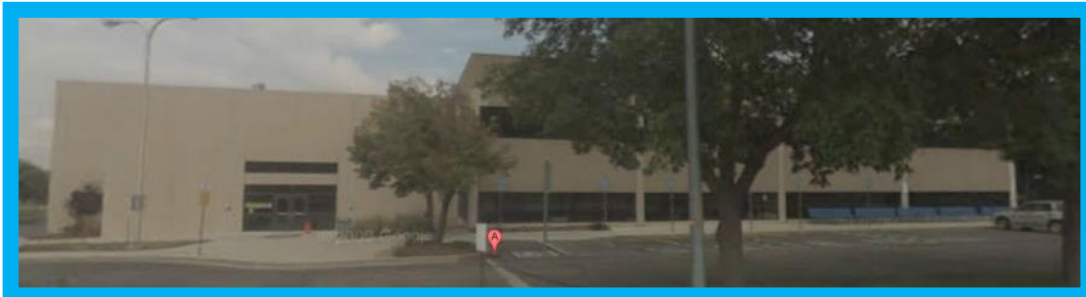

Just off of Broadway at Chenango. The school used to be called Sinclair Middle School, and is just a tiny bit WEST of the Broadway and Belleview intersection. The building is on the SOUTH side of Chenango. You can only enter through the back door, which gives you a hallway with direct access to both gyms. If the doors are locked just knock. We will post a parent or staff near the door during all transition times. If you arrive super late or super early, we cannot guarantee that the door will be manned. NEVER prop external doors open. These are nice hardwood floor gyms with ample serving room. However, the back entrance has almost no on-site parking. Please park on the street(s) surrounding the school and take a short stroll to the back of the school for entry.

## **Parker Core Knowledge Charter School (PCK)**

**11661 North Pine Drive  
Parker, CO 80138**

Just off of Parker Road between Main Street and Hess Road, just SOUTH of Hilltop Road. There are 2 different "11661 Pine Drive" addresses. Please be sure to use NORTH PINE DRIVE when you search for directions. This school is located very near Lincoln and Parker Road. You go slightly EAST, and the school is off of North Pine Drive...closer to Lincoln than Main Street (right off of Centennial Drive). Parking lot is mostly on the SOUTH side of the school. You do not enter at the main entrance. You enter the building at a door on the SOUTH side of the school, but close to the SOUTHEAST corner of the school. If you get to the main entrance, just go back up the sidewalk to another door. If the doors are locked just knock. We will post a parent or staff near the door during all transition times. If you arrive super late or super early, we cannot guarantee that the door will be manned. NEVER prop external doors open. No food or drink allowed and all children must be accompanied by an adult at all times, especially to the restrooms.

## Aurora Academy (AuA)

10251 East 1st Avenue  
Aurora, CO 80010

Just two blocks WEST of Havana on East 1<sup>st</sup> Avenue, NORTH of Alameda and the Commonground Golf Course. The school is on the NORTH side of East 1<sup>st</sup> Avenue. Entry is on the SOUTH side of the building toward the WEST end. You will enter either end of the parking lot and circle around to park behind the school. You will have to walk around the WEST end to WEST entrance the front side of the building (facing 1<sup>st</sup> Avenue). You enter through the first door on the WEST. Once you are let in, the gym is slightly to your right. NEVER prop external doors open. No food or drink allowed and all children must be accompanied by an adult at all times, especially to the restrooms.

## Word of Life Christian Center (WOL)

8700 E Park Meadows Drive  
Lone Tree, CO 80124

Just off of Park Meadows Drive between Quebec and Yosemite. Take Lincoln or C470 to either Quebec or Yosemite. The gymnasium is connected to the WEST side of the main octagon building. Parking surrounds the facility in all directions, but if you park on the WEST end of parking areas, you will be closer to the gym. If you park near the gym, you can enter the gym directly, on either the North or South side. If you enter from the main front or rear entrance of the main octagon, finding the gym will be somewhat confusing. NEVER prop external doors open. No food or drink allowed and all children must be accompanied by an adult at all times, especially to the restrooms.
